News And Notes of Work of the Hawaiian Board

The Sunday evening services at the Fort Street Chinese church will be resumed tomorrow evening. Rev. N. C. Schenck will preach on the subject, "Who Is He?" Special music will be furnished by the Young People's League quartet.

Rev. John P. Erdman will conduct a Christmas service in the Waiwala plantation hall on Sunday evening, December 26, beginning at 7:30 o'clock. A cordial invitation is extended to all residents of Waiwala and vicinity to be present at the service.

The Sunday school building for the Hail church of Hilo is nearing completion and will be dedicated probably on Sunday, January 23. Chairs are now being ordered from Honolulu. The building will prove a great addition to the work of the Hail church and will be used in the entertainment of the large number of delegates expected at the annual meeting in Hilo in July, 1916.

Tomorrow will be "Hawaiian Board Sunday" at the Central Union church. At the morning service beginning at 11 o'clock various phases of the board's work will be presented by four speakers. Mr. F. J. Lowrey, president of the board, will preside and introduce the speakers. Rev. Frank S. Scudder will speak on "New Phases of the Japanese Work," Rev. Simon R. Ygoria, pastor of the Oahu Filipino Congregational Church, situated at Ewa, will give a short address on "The Filipino Work on Oahu," Rev. Thomas F. Anderson, one of the Board's workers on the island of Hawaii, will tell of the work he is doing among the Spanish, Porto Ricans and Filipinos on Hawaii. Rev. Norman C. Schenck, superintendent of the Chinese department, will speak on "New Developments in the Chinese Work."

The Rev. and Mrs. Ellis E. Pleasant, formerly of Ballantine, Montana, arrived on the Lurline Tuesday morning en route to Kahului, Maui, where Mr. Pleasant will take up his duties as pastor of the Kahului Union church. This church has been vacant since the resignation and departure of the former pastor, Rev. Howard Harris, for California last spring. During this interval Rev. A. C. Bowditch, pastor of the Makawao Union church, has supplied the pulpit of the Kahului church very acceptably.

A rally of all the Christian Endeavorers of the territory will be held on Sunday evening, January 2, 1916, in the Kawaiahaeo church. The chief speaker will be the Rev. F. E. At the morning service of the Young People's League tomorrow, Chaplain Oscar J. W. Scott of the 25th Infantry will preach. Everyone is invited to be present.

FIRE LAW CUTS DOWN EAST SIDE SMOKES

NEW YORK, N. Y.—The East Side ordinarily spends as much for cigarettes as for bread, but the tobacco dealers down that way are grieving because of the war and the present rigid enforcement of the fire department rules against smoking in loft buildings and factories.

The war has stopped immigration and the halt in immigration has meant an utter loss of new trade for the East Side tobaccoists. The strict enforcement of the non-smoking rules has lessened sales to an extent that has caused the laying off of many workers in tobacco factories and shops.

Morris Brown, secretary of Cigar-makers' Union No. 144, the largest in Greater New York, said there had been unquestionably a large decrease in the number of workers employed on tobacco cutting machines, but he added:

"We are all glad for the sake of human life that such a law is being enforced. I know of employers who personally used cigars and were in the habit of handing them to buyers. They have stopped smoking themselves as a matter of setting an example to their employees. This phase of the matter alone means a big decrease in the sales of tobacco on the East Side."

Louis Kaplowitz of No. 86 Allen street said that since the law had been enforced he had cut down his three tobacco cutting machines to one, and that he figured a loss of \$1500.

**HOODOO STEAMER NOW
IS BIG MONEY MAKER**
SAN FRANCISCO.—The old Alcoa, formerly hoodoo freighter of the former Pacific Mail, has blossomed out as a real war baby.

This steamer, which in times of peace used to be tied up in the lower bay with cold boilers for large sections of the year, has earned \$300,000 that was paid for her when she was rechristened the California. She has earned \$90,000 more.

Furthermore, the California—nee Alcoa—has now been chartered to a powder company at \$1700 a day, or \$51,000 a month, or \$612,000 a year, or more than twice as much as her owners paid for her. It is stipulated in this last charter that she shall ply only between neutral ports, which is taken to mean that she will become a nitrate carrier between South America and Dupont powder mills in the United States.
